Metrics of 2025 and Acknowledgements to the Reviewers

In 2025, 15 papers (among 21 manuscripts with final decision) were published in the volume 8 of *Journal of the Geological Survey of Brazil (JGSB)*. Acceptance percentage was 71 %. The average time for the first-decision was 63 days (9 weeks), and the average time for the on-line publication was 138 days (20 weeks).

The Editorial Board acknowledges the authors who submitted their research, and the cooperation of the reviewers for the time they dedicated, since peer review is essential for the publication process, in order to ensure the desired high quality standards for the published papers.
